RECOGNIZING SMSGT (RET.) WALTER LAMERTON'S EFFORTS TO BRING A USO CENTER TO TAMPA INTERNATIONAL AIRPORT

HON. GUS M. BILIRAKIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 15, 2012

Mr. BILIRAKIS. Mr. Speaker, I rise today to honor retired U.S. Air Force SMSgt (Ret.) Walter Lamerton of Trinity, Florida for his critical role in bringing the USO to Tampa International Airport.

On January 18, 2012, the USO Board of Governors voted to grant a charter for the USO expansion to Tampa. This USO Center is scheduled to open in August 2012 and will support the more than 300,000 service members and their families that annually transit the Tampa Bay community. At the time of the vote, USO Headquarters Staff stated that "Many have applied, but that this is the first Chartered USO Center approved in the nation in over twenty years."

Walter Lamerton was a driving force behind submitting this ultimately successful proposal to the USO Board of Governors. He worked closely with volunteers throughout the Tampa Bay area and effectively conveyed their message of support for our service members and their families to both the local community and to the USO Board of Governors, under a compact timeframe.

Mr. Lamerton's leadership and attention to detail were critical in the effort to bring the USO Center to Tampa. As a result, many of our Nation's service members and their families will directly benefit from his efforts for years to come.

As Vice-Chairman of the House Committee on Veterans' Affairs, I constantly find myself in awe of the sacrifices and efforts that have been made on behalf of our great country by the men and women who have worn the uniform of our Armed Services. Because of this, it is my distinct honor to recognize and express my gratitude to Walter Lamerton for his dedication in bringing the USO to the Tampa Bay area. His success in this endeavor will serve as a lasting legacy for all who support our military and their families. The USO Center at Tampa International Airport will, surely, be a shining star in our community.

PRAISE FOR TAIWANESE ELECTIONS

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 15, 2012

Mr. RANGEL. Mr. Speaker, as Taiwan prepares for its Presidential inauguration on May 20, I'd like to congratulate our friends in Taiwan for the smooth conclusion of their presidential election on January 14, when Mr. Ma Ying-jeou won a second term as President of Taiwan.

For over half a century, the United States and Taiwan have enjoyed strong relations over economic and security issues. Our shared interest in peace and stability has guided the relationship, and our commitment to Taiwan's security, as stated in the 1979 Taiwan Relations Act, has enabled Taiwan to build a strong democratic government which serves as a symbol of success for others in the region and beyond. Similarly, Taiwan's economic partnership with us has been extremely beneficial. Taiwan is currently our tenth largest trading partner, with over \$68 billion in total bilateral trade.

During Mr. Ma's second term, I hope our relationship with Taiwan will continue to flourish in areas as diverse as trade, military cooperation, and the Visa Waiver Program.

Congratulations to Mr. Ma and the people of Taiwan.

THE DEATH OF NICHOLAS KING

HON. LAURA RICHARDSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 15, 2012

Ms. RICHARDSON. Mr. Speaker, it is my regrettable duty to report the death of a great American, Nicolas King. Mr. King died on April 3, 2012 in Santa Rosa, California. He was 79. Perhaps more than any other person, Mr. King was responsible for preserving the Watts Towers in Los Angeles, which has been visited by millions over the past 50 years.

King was instrumental in preserving the world famous Watts Towers which adds an aesthetic appeal to my 37th District. The unique work of folk art, was created over 33 years by Italian immigrant Simon Rodia. Rodia, described as a cement finisher and construction worker, began building the towers in 1921. The nearly 100-foot complex of spires and other structures are decorated with broken pottery, seashells, glazed tiles and pieces of colored glass.

In 1954, Rodia moved to Martinez, California to be closer to family and signed his property over to his neighbor, Louis Saucedo. His former house had burned down, the gates to the walled property were open and unguarded, and the grounds were littered with refuse left by unwanted visitors. Nicholas King and his friend, William Cartwright, visited the famed Watts Towers for the first time and were surprised by what they saw.

The current owner was a dairy farmer by the name of Joseph Montoya. For \$3,000 and a downpayment check of just \$20, Nicholas King and William Cartwright became the owners of the Watts Towers. King and Cartwright cleaned up the area around the towers, and an architect friend of Cartwright soon drew up a plan for a caretaker's cottage on the property. But when the architect went to apply for a building permit, he discovered that an order had been issued earlier for Montoya to "demolish and remove the fire-damaged dwelling and dangerous towers from the premises on or before March 5, 1957." The Watts Towers in 1959 passed a stress test in which the tallest spire was subjected to 10,000 pounds of force and avoided demolition.

With the establishment of the Committee for Simon Rodia's Towers in Watts, King and Cartwright yielded ownership of the towers to
